OUR SATISFACTION GUARANTEE!

We guarantee you will experience at least two hijacking attempts by pirates or you'll receive an instant \$1,000 refund upon arrival in Mombasa

How can we make that guarantee ? We operate at 5 knots just beyond 12 nautical miles off the coast of Somalia , thus in international waters where pirates have no rights whatever. In fact, we make three passes through the area's most treacherous waters to ensure maximum visibility by Somali "mother ships".

We repeat this for five days, making three complete passes past the entire Somali Coast . At night, the boat is fully lit and bottle rockets are shot every five minutes with loud disco music directionally beamed shore side to attract maximum attention.

ACT NOW!

Cabin space is limited so you need to respond quickly. Reserve your package before May 31st and get a great bonus - 100 rounds of free tracer ammo in the caliber of your choice ! So sign up for the Ultimate Somali Coast Adventure Cruise now !!

BUT THERE'S EVEN MORE!

Reserve now and be automatically entered to win a 5 minute time slot on the Captain's own Twin Browning 50 Caliber M2HB installation !
